The Bryant Family
Missionaries to the Philippines

Sunday: Hope for the Future

The Philippines is home to over 115 million people, with over 41 million children. Most don't know Christ, maybe 2 in 100 having a personal relationship with Christ.

Pray that

- We would be able to train Christian teachers to share the Gospel with their students.
- Our children's ministries, notably through summer camp, would see many children come to Christ.

EVERY DAY
PLEASE PRAY THAT WE CAN
RAISE OUR CHILDREN FOR
CHRIST!

Monday: Strength for Today

Roughly 4 out of 10 missionaries who desire to be lifelong missionaries end up leaving the missions field. One major reason is they become burned out in ministry, not having time to be with their families. We know more Filipinos need to hear the Good News of the Gospel, and they can only hear if someone goes to them. In order to have the strength to minister, Gospel ministers need rest.

Pray that

- We would be able to provide quality rest to many more missionaries and pastors.
- We ourselves would have the strength (and rest) needed to serve guests this week.

Tuesday: Love from God

While we know God has called us to ministry, at times we get tired. I (Jonathan) sometimes lose my joy with the many, many guests we serve. Things break, and I become inwardly frustrated. I need to show more love to people, and we can only do that to those around us if we are sharing God's love.

Pray that

- We would have patience and love with those around us.
- We would always serve those God has brought into our lives with His love.

Wednesday: Provision for our Needs

God has called us all to be different parts of His body. Our part is serving Him as missionaries, but we are only able to do this because of our faithful partners in the Gospel. Currently, we need only 40% more, 40 more individuals, to have the complete finances needed to minister wholly.

Pray that

- God would provide our needs through our remaining partners, individuals and churches.
- God would provide every need of our partners as they faithfully serve our Lord through supporting us financially.

Thursday: Open Hearts

In all we do, we know God is the one in charge of the heart. Anyone who comes to Him is because of His leading, going before us and preparing the way. The Lord also gives us grace in meeting paperwork and government requirements.

Pray that

- God would open and soften hearts to hear the Gospel.
- God would give those who we interact with gracious spirits.

Friday: Protection from all Harm

The Philippines is home to many tropical diseases, such as dengue and malaria, along with natural disasters in the form of earthquakes and typhoons, and dangers from kidnappings, terrorists, and foreign powers. Traveling frequently brings even more risks.

Pray that

- God would protect us as long as He sees fit to use us.

Saturday: Preparation for Rest

In looking ahead to Sunday, we need our hearts to be right with God so we may more fully know Him as we go and be with the church tomorrow.

Pray that

- We may learn more of God in all our interactions on Sunday.
- We may show God in all of our interactions tomorrow.
