## WE ARE DONE!

(FOR NOW)

This is the most joyful prayer letter we have ever written. You may remember that by faith we came here to the Philippines in 2014. In 2016, we joined ABWE, our missions organization. That was the start of our support raising journey, doing most while on the missions field. For the longest time, but still thanks to the Lord's provision and loving ministry partners, we only had 40% of our monthly support. (continued on next page)

## MORE UPDATES

*Any proper celebration needs ice cream, so we got some homemade ice cream at camp. Liam was excited. Elise was excited (and focused). Praise the Lord for our partners!*

# JULY UPDATE

BRYANT MISSIONS - BAGUIO, PHILIPPINES

→ FULL SUPPORT 100%

## WE ARE DONE!

(CONTINUED)

This year, our missions agency set a deadline of August 1 to finish raising our full support. Again, through God's provision, He brought us to Promise Land Baptist Church, giving us a church family where we could feel normal and also grow in the Lord. This past July 6th, by video call, we shared with them our need to raise our remaining 15% (we were able to partner with churches and individuals to get to 85%). God provided our remaining monthly support, and more! Now, we are so grateful to say we are fully supported as missionaries. We are excited to see what God will do now that we have overcome this hurdle that has held us back for so long!

Immediately after our call with our home church, we left Baguio and drove overnight 6 hours to Laguna, arriving by 6am. We are here for the week to help with a missionary expat kids' camp. Please pray with us that we are a blessing!

I am a king from the Wingfeather saga. Evanie is a queen. In the story, I married up and into royalty. This mirrors any good relationship--the husband always gets the better end of the deal, haha!

Our 4<sup>th</sup> of July Celebration was a little smaller this year, but still a blessed time of fellowship celebrating the freedoms we have as US citizens. Imagine how much greater our Heavenly citizenship is!
