SEPTEMBER UPDATE

BRYANT MISSIONS - BAGUIO, PHILIPPINES

→ FULL SUPPORT 100!%

2025 NUMBERS SO FAR

- 859 missionaries, pastors, and church members served YTD at Doane Rest.
- International missionaries from 15 different organizations.
- Finished our monthly living and ministry support raising journey in August! Such a weight gone!

MINISTRY NUMBERS

- 203 served in September (so far) and August made up of 19 missionary families (2 American & 17 Filipino), 5 Filipino pastors and their families, and 3 church groups.
- US missionaries were Global Surge with Bible school ministry and retired ABWE missionaries.

JONATHAN IN THE US

For the next 2 months (until November 11), I'll be in the US to build partnerships and learn more about starting a children's camp in the Philippines. I will be attending a construction conference October 9-11 in Chicago, along with attending a retreat and speaking at a partner church at the end of October. Most of my time will be in Jacksonville, FL, to focus on building relationships with new partners. I also want to spend time with our partners at our home and sending church. To our existing partners, we appreciate all you do. We cannot express in words how your faithfulness to pray for us and provide our financial needs blesses us. May God bless you for your investment in our ministry!

BRYANT MISSIONS - BAGUIO, PHILIPPINES

→ FULL SUPPORT 100%

PRAY FOR EVANIE AND BABY

While I'm in the US, Evanie is staying back in the Philippines with our kids. In August, we had to visit the ER because of a scare with our next child, due Lord willing in February. You may remember we had a miscarriage in 2020 and then another in 2021. Praise God, everything is okay now, although Evanie is on bedrest (she can walk around, just not hills, something Baguio is known for). Praise God for the Christian lady we have to help Evanie while I am gone.

SERVING AS A FAMILY

Here is a recent church group we had visit. You might see me in the background, but you are more likely to see Liam in the foreground. With every guest who visits with kids, even if he has never met them before, Liam always asks if he can go play with his friends. We are grateful for a friendly child who welcomes every guest with open arms, and thereby reminds us to do the same as the body of Christ.

WE SERVE THE GREAT PHYSICIAN

A couple weeks ago, Liam had a checkup with his pediatric neurologist, who he has known since birth. Liam had an EEG done, and we praise the Lord that nothing unusual is visible anymore. Because of that positive finding, along with other tests, Liam can now reduce the medication he has been taking twice a day since he was 2. As parents, especially as missionaries, knowing that soon we may be able stop giving Liam daily medication (or worrying he may have a seizure without it) is a huge relief. This medication only prevents seizures; it didn't heal Liam. We know God healed Liam, and we praise Him for that!
